

Dancing Chilli's specialised service offering incorporates the management of conferences, seminars, training, exhibitions, launches, corporate or private social functions, weddings and teambuilding.

Our "full service" package comprise the creative design of the conference or event, an efficient project management process covering all logistical and financial aspects, sponsorship marketing, design of printed and electronic media, effective communication through a call and contact center, RSVP and booking services, as well as LOUDS of enthusiasm!

Clients can opt to take advantage of the full service package, or components thereof – we are ALWAYS prepared to tailor-make our packages to suit your needs.

We offer special packages to NGO's and Small Businesses – whether your dance of choice is Tango or Hip-Hop, we'll choreograph an event that will leave you breathless!
